

Free Papers & Posters Award's Rules

Congress « Ophthalmic Imaging : from Theory to Current Practice »

New CAP Event Center Paris, October 13th, 2017

1. VuExplorer Institute is organizing 2 special awards for the best oral presentation of free paper or poster presented on October 13th, 2017 during the Ophthalmic Imaging congress.
2. Award's participation:
Any attendee or speaker who will attend the Congress, can submit an abstract to VuExplorer Institute.
Free Paper / Poster Speakers will get a special price to register.
3. Abstracts' Topic:
Proposals for abstract will be selected on the imaging criteria, on topics such as Cornea, Retina, Glaucoma or Anterior Segment.
4. Presentation and formatting:
All abstracts have to be sent to VuExplorer Institute with a summary in English and/or in French which will not exceed 200 words to this following email address:
contact@vuexplorer.com before **July 29th, 2017**.
The title, the first name and the last name of the authors, the city and the country must be mentioned.
The printing of the poster abstract is to be expected on a A0 size: 84.1cm wide on 118.9cm height.
At your arrival, all abstracts will be displayed on specific panels. The Free Papers Programme will be established after August 20th.
5. Selection and presentation:
The abstract selection will be made by VuExplorer Institute on many criteria : didactic interest, originality, scientific progress or aesthetic.
6. Best Presentation Award:
This prize for best presentation will reward the most didactic or most relevant clinical case which will be chaired by the Award committee.
For the 2017 edition of the Congress, there will be 2 awards: 1 for an Ophthalmologist and 1 for an Orthoptist.
