10th Anniversary

Friday 4th October 2019

10TH ANNIVERSARY:

Thanks to all of you, this congress has become a reference in medical imaging.

In 10 years, imaging has become an essential part of our current practice with many evolutions.

It is up to us to take up this challenge of permanent adaptation:

let's meet during this day of Exception for:

- **Increase** our team level
- **Compare** devices with wetlabs
- **Anticipate** futur developments with International Speakers
- **Share** our experiences in compagnonnage ambiance.

PROGRAM:

- **Theoretical sessions:** current pratice and evolution
- **Wetlabs with machines:** OCT, OCT-A, Echo, UBM, Biometrics...
- **Free Papers and Posters** (special registration)
- **Plenary session** « Ophtalmic Imaging today and tomorrow »
- **Sponsored symposia:** focused items
- **Technological Presentations:** new developments.

Let's progress by sharing our experiences !

Michel PUECH
